

E— Safety for The Linden Academy Children

Safe and effective supervision of pupils using the internet in school and setting reasonable rules as follows:

- **use websites recommended by teachers and using a child friendly search engine**
- **only email people you know**
- **exercise caution before opening an email sent by someone you don't know**
- **do not use your real name when using games on the Internet, (create a nickname)**
- **never give out a home address, phone or mobile number**
- **never email your school name or a picture in school uniform (even to a friend)**
- **tell an adult immediately if you encounter anything are unhappy with**
- **Only use social networking when you reach the advised age for use (eg, Facebook advised age is 13) and only use if your adults at home allow it**

We want to keep you safe when using the Internet for your learning and personal/ social development.
